FEEL THE BEAT

FELTED TEXTILES

Sept. 4 - Dec. 1, 2024

- Exhibitions can help your students to think about the ways that objects reflect, confront, and challenge some of the key ideas they are exploring in the classroom.
- Share our campus resources with your class and use our exhibitions to help scaffold ideas and build assignments.

KEY THEMES

- ✓ Techniques & histories of felting
 - ✓ Cross-cultural skills exchange
 - ✓ Objects from feltmaking communities in Nepal and Ecuador and the Helen Louise Allen Textile Collection
 - ✓ Felt as a symbol of cultural identity, creative expression and an eco-friendly option for architecture and design
- More at: <https://cdmc.wisc.edu/event/feel-the-beat/>
